

SUPERIOR STRENGTH WITH MAXIMUM WIND PROTECTION FOR YOUR ROOF

Anchor-Tite® fascia products combine custom engineering and superior performance with an attractive appearance.

The patented design of our extruded aluminum anchor bar securely terminates the membrane, providing protection superior to any other manufactured or shop-fabricated roof edge.

Anchor-Tite products hold up under the toughest of weather conditions - extreme wind, driving rain, heavy snow - to protect your roof and its surroundings.

Fully Adhered or Mechanically Attached Single-Ply Version

10 EXPRESS COLORS FOR QUICK SHIPPING

Express, standard, and premium colors and finishes are available to meet your job requirements and includes a 30-year Kynar 500® finish warranty on coil-coated standard colors. Custom colors are also available. For the most accurate color representation, contact us to request a paint chip.

All colors are also available in Mill Finish.

EASY, EFFICIENT INSTALLATION

- Full snap-on design with extruded aluminum bar for easy installation
- No stripping-in or heat-welding typical with other systems for overall labor savings
- Prefabricated miters and accessories to prevent need for field fabrication
